ABOUT ME

I am an honest, creative, and innovative person who adapts quickly. I am interested in new things and like challenges. I have high work integrity, can work under pressure, can manage time well, able to work in a team and I am also able to analyze a problem and provide solutions to the problems that I get.

EDUCATION

- (2017- 2021) Universitas Kristen Satya Wacana
  S1 Sistem Informasi | IPK 3.89
- (2014-2017)SMA NEGERI 1 WAINGAPU

WORK EXPERIENCE

- **Front end developer intern at RIbka Furniture september-december 2020**

  I am tasked with making a prototype design and building a web-based display application that is useful for recording stock in the warehouse. for the tools or framework I use is bootstrap

- **Bootcamp Project Manager at KodingWorks (KRBN) October-December 2020**

  for 3 months to help research and optimize the appearance of the Tugurejo Hospital application to make it more user friendly.

- **Software Quality Assurance at PT Sumber Alfaria Trijaya Tbk (head office) January 2021-present**

  For more than 1 year I worked as a software quality assurance , I handled several types of applications as store applications (Alfamart information system), tax applications, applications (promotion application systems), Google Cloud Platform engine applications. I tested this app to fit the app flow and as per user demand.
